

## Green Cat Renewables Job Advertisement – Project Manager

Location: Edinburgh (Stobo House, Midlothian Innovation Centre, Roslin) with travel expected to site as required.

### The Company

Green Cat Renewables (GCR) is a dynamic, innovative company that provides the complete range of technical services required to deliver renewable energy projects. The team of over 60 Engineers and Environmental Consultants deliver projects on behalf of Clients from three offices in Edinburgh, Livingston, and Biggar.

Through the Engineering Department the company provides Client's Engineer and Project Management services to clients developing renewable energy projects. This includes civil and electrical design, procurement, project finance technical assistance, contract preparation, negotiation, and management, site supervision, civil and whole project management.

Green Cat Renewables now require a Project Manager to join the Engineering team in Edinburgh to manage the delivery of multi-technology energy projects.

### The Role

- Management and responsibility for a variety of multi-technology energy projects, covering.
  - Engineering design management of project solutions;
  - Risk Management
  - Project Management, ensuring key milestones, financial, quality, and technical targets are met;
  - Facilitate negotiation of agreements and contracts;
  - Support the Client in achieving Financial Close;
  - Contract Management; and
  - Communications and Reporting Management (with stakeholders both internally and externally).

### The Candidate

- Extensive Project Management experience, leading projects (multi-technology based, such as wind, solar, battery storage and hydrogen are desirable).
- Knowledge and experience of the UK Renewable Industry is desirable.
- Ideally with a Chemical Engineering or Mechanical Engineering background.
- Safety Risk Management experience ideally including the production of HAZOP, HAZID, and FMEA.
- Proactive, adaptable mind-set with a willingness to work independently or as part of a team.
- Excellent written and oral communication skills.

To apply please send a full CV and covering letter to [jobs@greencatrenewables.co.uk](mailto:jobs@greencatrenewables.co.uk) by the end of Monday 3<sup>rd</sup> May 2021.
